About This Product

The **Tasmania Tenancy Advocacy Toolkit** (“the Product”) is a structured administrative advocacy resource designed to help renters in Tasmania understand their rights, communicate effectively with landlords and agents, and document interactions for potential use in dispute resolution proceedings.

The Product consists of PDF guide documents containing plain-language explanations of tenancy rights and ready-to-use letter templates, and Microsoft Excel evidence tracking workbooks — the exact contents depend on which tier you purchased (see your product listing for what's included). All content has been prepared with reference to the **Residential Tenancy Act 1997 (Tas), as amended by the 2024–2026 reforms**.

Verified July 2026 against the RTA 1997 (Tas) as amended.

2
